

## **Report on Industrial Visit and Faculty Development Program Orientation at TCS Nagpur Office**

On the 13th of September 2024, an Industrial Visit and Faculty Development Program Orientation was organized at the TCS Nagpur office. The event aimed to facilitate engagement between academic professionals and TCS's senior leadership to discuss industry trends, skill demands, and future talent needs.

### **Event Details:**

- **Event Date:** 13th September 2024
- **Event Time:** 2:30 PM to 5:00 PM
- **Venue:** TCS Mihan, Arrival Block, Darbar Hall
- **TCS Entry Gate & Parking:** Gate A1

**Participants:** Kuldeep Singh Pratap Rana, an executive at TCS Nagpur, extended invitations to principals and Training & Placement coordinators from 33 leading colleges. The interaction was presided over by Mr. Arvind Kumar, Centre Head of TCS Nagpur, with Mr. Anuj Mathur from Supply Chain Operations in Delhi guiding the academia on industry trends and potential growth opportunities, particularly focusing on On-the-Job Training (OJT) under the National Education Policy (NEP).

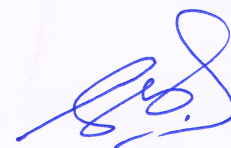

### **Key Points Discussed:**

- Mr. Pradeep Kumar Jain from TCS Finance emphasized the importance of English proficiency and proficiency in Microsoft Word, Excel, and PowerPoint.
- Mr. Sagar Bagde and Shamik Choudhary also engaged with the academic representatives.
- Mr. Arvind Kumar expressed TCS Nagpur's interest in recruiting students from various disciplines such as B.Com, BCA, B.Sc., and M.Sc. who are employment-ready for their expansion plans, particularly through OJT initiatives under NEP.

### **Further Actions:**

- As a follow-up, Mr. Anuj Mathur connected Professor S.W. Anwane with Mr. Saurabh Lakhote (Mobile: 98904 63418) to obtain the last five years' placement data of students from Shivaji Science College Nagpur for NAAC and NIRF processing.
- The event concluded with a group photograph and a campus tour of TCS Nagpur, followed by a hi-tea session.

This event proved to be instrumental in fostering collaboration between academia and industry, aiming to bridge the gap between educational institutions and industry requirements effectively.
