Visit to 108<sup>th</sup> ISC 2023 Expo

Date: 4/01/2023

No. of beneficiaries: 24

On 4<sup>th</sup> January 2023, the M.Sc. Physics and B.Sc. students from **SSES Amt's Science College, Congress Nagar, Nagpur**, along with faculty members had the privilege of attending the **ISC 2023 Expo** organized at the **RTMNU Campus, Nagpur**. The event was an excellent platform for the students to explore cutting-edge scientific advancements, interact with experts, and deepen their understanding of various research fields. One of the key highlights of the visit was the interaction with scientists from the Plasma Research Centre, Ahmedabad, who provided valuable insights into their ongoing projects and research areas. Dr Sameer Khirwadkar and Dr Manmohan from the Institute for Plasma Research, Gandhinagar Gujrat interacted with students and faculty members to inform the research activities in IPR and encourage students and faculty to take up research & project activities. The faculty members from the **Department of Physics** Dr. S. W. Anwane head of the department, Dr. R. N. Pathare, Dr. S. V. Khangar, Mr. B.T. Kumbhare, Dr. J. L. Jadhav, Dr. S. K. Sayyad, along with adhoc faculty Mr. S. Belkhude, Miss. K. Jivnapurkar and Miss C. Jatgade played an active role during the visit, facilitating the students' engagement with the exhibits and researchers.

**Action Taken :** The students expressed their enthusiasm for the 108<sup>th</sup> ISC 2023 Expo and found the event to be highly educational and inspiring. The event provided them with valuable exposure to cutting-edge scientific research, particularly in the field of plasma research. The interaction with scientists from the

**Plasma Research Centre, Ahmedabad** was a unique opportunity for the students to engage directly with experts and explore potential career paths in advanced scientific domains.

**Interaction with Dr Sameer Khirwadkar and Dr Manmohan from the Institute for Plasma Research, Gandhinagar, Gujrat.**
