Subject: Permission to visit VNIT, Nagpur.

Respected sir,

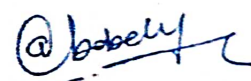

VNIT, Nagpur has organised Science Exhibition on 24/02/2022. This is to request you that please grant us permission to visit VNIT with interested students from UG of Department of Zoology.

Please do the Needful and Oblige.

Thanking you
Faithfully

Date:- 20/04/2022

Place:- Nagpur

VISIT To
VISVESVARAYA NATIONAL INSTITUTE OF TECHNOLOGY
TECHNICAL UNIVERSITY IN NAGPUR, MAHARASHTRA on
24/02/22

On February 24, 2022, undergraduate students from Shri Shivaji Education Society's Science College, Congress Nagar, Nagpur, visited the Visvesvaraya National Institute of Technology (VNIT), Nagpur. The visit aimed to provide students with exposure to innovative science projects and practical applications of engineering and technology.

Participants

A total of 8 undergraduate students from the Department of Zoology participated in the visit. The list of students is as follows:

- | | |
|----------------------|----------------------|
| 1. Ishita Chelwani | 5. Gargi Vichore |
| 2. Riya Paikmare | 6. Tarini Jahagirdar |
| 3. Dibina Divakaran | 7. Saeed Joshi |
| 4. Sushant Nimborkar | 8. Ninawe Shrushti |

Activities Conducted

1. Science Exhibition

- **Displayed Models:** Students viewed various science project models, including those focused on rainwater harvesting, air and water pollution control, and solar energy solutions.
- **Interactive Demonstrations:** The exhibition featured interactive demonstrations that allowed students to engage with the projects and understand their practical applications.

2. Project Mobile Vans

- **Innovative Projects:** Students visited mobile vans showcasing innovative projects and technologies developed by VNIT students and faculty.
- **Hands-On Experience:** The mobile vans provided a hands-on experience, allowing students to see the real-world applications of the projects.

ACTION REPORT :

Students gained a deeper understanding of environmental and renewable energy solutions through the displayed models and demonstrations. The visit provided practical insights into the applications of engineering and technology in solving real-world problems.

The exposure to innovative projects inspired students to consider careers in engineering and technology fields.
