- **Asia Pacific Quality Network (APQN)**

On January 18, 2003, the Asia-Pacific Quality Network (APQN) was founded in the Pearl of the Orient - Hongkong, China. This non-profit, non-governmental organization has been vigorously devoted in improving higher education quality in the Asia-Pacific Region ever since. Throughout the past thirteen years, under the leadership of APQN pioneers and four previous Presidents - Mr. Peter PT

Cheung, Ms. Concepcion Pijano, Dr. Antony Stalla, and Dr. Jagannath Patil, APQN has been committed to quality higher education and supportive of quality assurance agencies (QAAs) in the region. Over 30 big projects were completed and the achievements were remarkable. All these made APQN a legacy for us to inherit. Today, APQN has over 212 members from 53 odd countries and territories, and is the largest and most influential non-profit international organization in the field of higher education quality assurance in Asia-Pacific Region.

- **About the Conference**

APQN President's Message

Professor Dr. Jianxin Zhang

Let's all come together to build tomorrow's beautiful world.

As an ardent follower of new things that can be instilled in the present generation so as to carry forward to next generation, it does require the capacity to share, understand, imagination, implementation as prerequisites to achieve one's dream.

Everything comes to us that belong to us if we create the capacity to receive it. If I have the belief that I can do it, I shall surely acquire the capacity to do it, even if it may not have it at the beginning.

It is to be built in within one's self. It will be propagated with its natural speed. Nothing can prevent its mobility. It may even cross what we think as physical border, but in reality there is no such demarcation. Nature already provided continuum to this thought.

Host's President Message

Shri Harshavardhan P Deshmukh

First and foremost, I want to thank the Shri Shivaji Education Society Amravati's Science College And Dhanwate National College, Congress Nagar Nagpur for hosting an International Conference *APQN Annual Conference (AAC) 2018 and Annual General Meeting (AGM) On Capacity Building for Next- Generation Quality Assurance in Higher Education* In Nagpur, India

APQN provides a platform to bring together not only policy makers but also entrepreneurs in the field of education. It might be only a starting point but with hard work and perseverance I am sure you will succeed in reaching to your goals.

As one of leaders in region, the main challenge is to remain competitive and relevant by offering high quality academic programmes and research activities, focusing on its

niche areas.

New knowledge and findings cannot be generated without research and development; therefore, policy makers must see this as the generator of new knowledge to extend outcomes from such platforms to commercialization.

Maybe this doesn't appear significant in the short term but it may make a tremendous impact in the future.

I would like to express my appreciation to all those involved in materializing this event. I wish the conference a great success.

Host's Message

Dr. D K Burghate

At the outset I would like to thank Asia Pacific Quality Network for identifying potential in us to host such a prestigious International Conference

Shri Shivaji Education Society Amravati's **Science College**, Congress Nagar, Nagpur has already been recognized at all levels in country as well as outside by brain drain.

I am happy to acknowledge APQN for deliberating critical issues in higher education. Such new initiatives are necessary to make stake holders active partners in bringing innovations.

I hope that the conference will generate the excitement of contemporary thoughts among the participants.

It will provide a platform for exchange of best technology and tools across the globe in creating awareness among all concerned stakeholders.

I wish the conference a great success.

Dr. B B Taywade

I am delighted for being privileged by APQN on offering to host an International conference. As Shri Shivaji Education Society Amravati's **Dhanwate National College**, Congress Nagar, Nagpur stands for imparting values among the masses in the region

The theme of the conference is of much importance since in this increasingly Inter-dependent world, higher education and research is the key ingredient in character building and socio-economic transformation. Knowledge is now an economic good world over and knowledge based economy would be increasingly dominating the National and Global scenario. Our education, skills and research therefore must be at par with those of Global level and this would require sustained efforts on part of a large number of individuals and Institutions. In this sense the effort on the part of the organizing college is very timely and laudable.

I am sure that the conference will be of immense use to all the stake holders who are working in the area of the title.

APQN Quality Awards were initiated in 2013 which aimed to mark decennial celebrations of APQN. As feedback to APQN Quality Awards has been very encouraging, APQN Board decided that awards would continue every year but some of the Award themes may change accordingly.

APQN would encourage members which have been doing much more outstanding work individually, institutionally, nationally as well as internationally to submit applications for Quality Awards. Quality Award is not a competition as members vary in different countries and have specific contexts and mandates. Hence, APQN Quality Award is intended to identify and distinguish extraordinary or prominent QA contributions and good practices that have potential of replications in the Asia-Pacific area. APQN Criteria and Chiba principles will be generally applied to all categories as selection criteria.

The 2014 APQN Quality Award categories are as follows:

i. APQN's Best/Model Internal QA Award

This award is set up for institutional members only. The institutional members who have committed to quality assurance mechanism and quality culture building are encouraged to apply for this award so as to make much wider circulation about their best or model IQA practices and experiences.

ii. APQN Quality Champions Award

This award is set up for individuals who have made outstanding contributions in promoting quality and excellence of higher education and recognized nationally and internationally in his research achievements or leadership of QA activities.

iii. International cooperation in QA

This award is open to full and intermediate APQN members. Those members who have kept pace with the regional and international trend in QA of higher education as well as cross-border higher education and have taken specific actions to put it into practice with the integration of national QA successfully would be considered for this award.

iv. Training and support of reviewers

This award is open to all categories of APQN members which is one-off award. Those members who have made prominent contributions in training and support of reviewers locally and/or regionally and have developed sound and effective material kit of training would be nominated.

- ζ Award category
- ζ Names and contact details of members being nominated
- ζ Names and contact details of the person making nomination
- ζ Detailed description of Award nomination
(including background, purpose, procedures, reasons of success and impact ;relevant evidence; up to 800 words)
- ζ Promotion value (up to 200 words)

Members can submit up to two nominations free of cost. Fee of 50USD per nomination will be applicable if more nominations are made.

Only CEOs of full and intermediate members of APQN and Board members of APQN can send nominations for themselves or other APQN members. The presidents of institutional members could send nominations for themselves or other APQN institutional members

Award. Nominations could be submitted to APQN Administrator of Dr. Guo Chaohong by email at apqnsecretariat@163.com by 25 January 2014.

A panel of three eminent international experts appointed by APQN Board will review all the nominations and make final decision on Quality Awards. No appeal will be provided as this is a peer review or judgment. Up to two awards under each category will be given to candidate nominees.

Generally APQN member will not be considered for award in same category for two consecutive years.

APQN Quality Award will be presented during APQN Annual conference to be held during 7-8 March 2014 in Hanoi, Vietnam. Attractive mementoes and certificates will be awarded to the winners. In addition, award winners will be invited to present and share their good practices in the APQN annual conference with other members as well.

If you have any feedback or queries, please email to APQN President Dr. Jagannath Patil at jp.naacindia@gmail.com.

ASIA-PACIFIC QUALITY NETWORK

2015 Conference and Annual General Meeting (AGM)

Globalization and Diversification of Quality Assurance of Higher Education

(April 17-19, 2015, Kunming, China)

Call for Contributions

1. Background

The Asia-Pacific Quality Network (APQN) Conference and AGM is the main annual event for discussing and advancing quality assurance in higher education throughout the Asia-Pacific area. After the success of the APQN AGMs in New Zealand (March 2005), China (March 2006), Malaysia (February 2007), Japan (February 2008), Vietnam (March 2009), Thailand (March 2010), India (March 2011), and Cambodia (March 2012), Chinese Taipei (April 2013) and Hanoi, Vietnam (March 2014), the Board of APQN is delighted to announce that the next AGM and Conference will be held in **Kunming, China (April 17-19, 2015)**. Yunnan Higher Education Evaluation Center (YHEEC), China will host this event.

The target audience for the APQN Conference and AGM is primarily those associated with quality agencies in the region. It includes APQN Members and Observers, the APQN Board, Committees and Project Groups. In addition, others working in the area of quality assurance and improvement in higher education and government agencies are welcome to attend the conference days that are open to non-members. The conference will be open to all registered delegates except the AGM which is for members only.

2. Conference Themes

The main theme of the 2015 Asia-Pacific Quality Network Conference is:

Globalization and Diversification of Quality Assurance of Higher Education

The sub-themes are:

- The quality assurance mechanism of Cross-border Higher Education (CBHE), international accreditation and international cooperation;
- Internal quality assurance, programme accreditation, project accreditation, course accreditation etc;
- Professional accreditation, quality labels, and rankings;
- Quality assurance of Open Educational Resources (OERs), Massive Open Online Courses (MOOCs) in post-traditional provisions;
- Teacher assessment and student learning outcomes assessment;
- Qualifications frameworks, quality assurance and quality information systems.

You are invited to present a paper on a topic of your choice related to one of the topics above. Ideas for topics can be drawn from the list of theme and sub-themes, or can be of your own choice. Please indicate how your selected topic relates to the theme of the Conference.

Guidelines for paper submissions:

- Papers on any topic related to the theme or sub-themes of the Conference will be considered.
- Papers should be no more than **4000 words** in length, including the appendices, tables, illustrations and photographs, plus an abstract of up to 250 words.
- Papers will be reviewed by a committee. The acceptance of papers for inclusion in the program is at the prerogative of the review committee, and no correspondence will be entered into.
- If your paper is selected for presentation, it is expected that you will have:
 - 15 minutes for presentation,
 - 10 minutes for questions/discussion.
- All submissions must be in English.

It will be highly appreciated if you could earlier submit your paper (in Word Version) to both the APQN Secretariat and YHEEC at: apqnsecretariat@163.com and yngdjyhx@126.com at the same time by **January 20, 2015**.
