Snake Day celebration in Department of Zoology held on 12/08/2024.

Date: 12/08/2024

Venue: Zoology laboratory

Organized by: Department of Zoology, Shivaji Science College, Congress Nagar, Nagpur

Department of Zoology, Shivaji Science College, Congress Nagar, Nagpur celebrate Snake Day on 12/08/2024.

We celebrate **Snake Day** to raise awareness about the importance of snake conservation and to educate people about these fascinating reptiles. Many snake species are threatened by habitat loss, climate change, and human activities. This day highlights the need to protect these species and their habitats. Snakes often have a negative reputation due to myths and misconceptions. Snake Day aims to change these perceptions by educating people about the true nature of snakes and their role in the ecosystem.

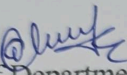

Snakes play a crucial role in maintaining ecological balance by controlling pest populations. They help keep the populations of rodents and other small animals in check. Snakes are an essential part of biodiversity. Protecting them ensures the health and stability of various ecosystems.

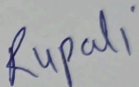

The event began with a traditional snake worship ceremony, highlighting the cultural significance of snakes in Indian traditions. Prof. Atul Bobdey provided detailed information about various snake species, their habitats, and their role in maintaining ecological balance. He emphasized the importance of snake conservation and how snakes contribute to controlling pest populations. An essay competition was organized on the theme of snake conservation. Many students participated and shared their insights and knowledge about snakes.

Piyush Kale, a M.Sc. IInd year student, gave a special presentation on snakes, sharing interesting facts and dispelling common myths about these reptiles. The event also included a birthday celebration of B.Sc. Ist year student whose birthday fall on that day. A cake-cutting ceremony was held, and everyone joined in to celebrate and wish the birthday celebrants.

The event was successfully organized with the efforts of Prof. Atul Bobdey, Head of Department, Prof. Sharayu Ghonmode, Dr. Shital Deshmukh, Dr. Rupali Patil Bhagat, Dr. Shilpa Katre, Ms. Khushboo Sheikh, Dr. Lankesh Bhaisare, Ms. Mansi Gawande, and all the non-teaching staff and students.

ACTION TAKEN: The Snake Day celebration at Department of Zoology at Shri Shivaji Education Society Amravati's Science College, Congress Nagar, Nagpur, was a resounding success. It not only educated students about the importance of snakes but also fostered a greater appreciation for these often-misunderstood creatures. The birthday celebration added a festive and inclusive atmosphere, making the event memorable for all attendees. The event concluded with a vote of thanks, acknowledging the contributions of all participants and organizers.
