"Inauguration Of Subject Society"

Session- 2023-24

Shri Shivaji Education Society Amravati's Science College, Congress Nagar, Nagpur installed and inaugurated various subject societies under the banner of Science association on **13/10/2023**.

The college groomed leadership among students at different levels in the form of subject societies. The programme was inaugurated at the hands of Hon'ble Prof. J.M.Khobragade, Director, Institute Of Science, Nagpur. He addressed the youngsters. This college had been known for its quality education for many years. All the professors with me in this college were very dedicated towards their subject. Their curiosity and passion for the subject was immense. His punctuality and strictness were extreme. From that we learned and grew. The faculty of this college are known for their academic quality and dedication to the subject. Along with this, this college had an unbroken tradition of meritorious students. He also told that students should try to carry this tradition forward. He also told to imbibe the spirit of hard work and asked to gain mastery over subject. Principal Prof.M.P.Dhore also addressed students. On this occasion office bearers of subject societies took Oath to get involved in activities lead to sustainable development of mankind. More than 250 students were present in this programme. The programme was graced by the presence of other dignitaries Prof.R.N.Deshmukh, Prof.G.K.Gunjate, and all Head of Department, Programme coordinators and other staff members as well as non -teaching members of the college. The programme was culminated with vote of thanks.

Action taken: The inauguration of the Subject Society was a successful event that set the stage for a series of academic and extracurricular activities aimed at enriching the student experience. The enthusiastic participation of students and faculty members indicates a promising future for the society.
