Books donation to the geology department-

Books were donated by Ms.Saumya Somesh Bhawani, Alumna of Shivaji Science College to Alumni Association to spread the spirit of reading the books. Donations of books will empower geology students to more effectively explore the mineral resources. Sometimes it seems hard for students to get access to such books. This is aimed at helping geology students to gain more knowledge.

On 15/04/23, books were donated to Principal Dr.M.P.Dhore at the hands of Dr. Avinash Rode, President, Alumni Association. Convener Dr. Rashmi Urkude and executive member Mrs. Anupama Mendhe were present on the occasion.
