The college has the mechanism for analyzing student's feedback on institutional performance. The feedback is obtained from the following stakeholders:

1. Students
2. Teachers
3. Parents
4. Alumni

1. Students Feedback on Curriculum:

A feedback from students obtained through feedback form containing questionnaire on various aspects of curriculum like relevance to real life situation, employability, entrepreneurship, skill development, learning objectives, and facilities available in the departments. The feedback analysis is as follows:

1. Students are satisfied with respect to applicability / relevance to real life situation & local developmental needs of their course content.
2. Students are also satisfied with employability, entrepreneurship, skill development, practical and field work component.
3. The less number of students faced the difficulty level of course content.
4. Most of the students satisfied their learning objectives and values.
5. Students are satisfied with teacher's domain knowledge of the subject and their availability in the college, sincerity and teaching methodology.
6. Most of the students showing interest to pursue higher education.
7. Library, laboratory, internet facilities and maintenance of general amenities are pertinent.

2. Students Feedback on Teachers:

1. feedback from students obtained through feedback form containing questionnaire on teaching activities. The feedback analysis is as follows:

1. Teachers explain the subject effectively & utilize the entire allotted lecture time.
2. Teachers completed the syllabus in due course of time.
3. Most of the teachers completed the objectives outlined in the syllabus description.
4. Made students feel free to ask questions and active participation in discussion.
5. Motivated the students to participate in different activities like Quiz Competition, Seminar presentation, Debate competition, Group discussion, Poster presentation, Science exhibition, Blood donation, etc.
6. The students agreed that the assigned homework was relevant to course material.
7. Study material was provided to the students.

3. Parents Feedback / Suggestion:

A feedback from Parents obtained through feedback form containing questionnaire on Curricular, Infrastructure, Fee Structure, Teacher-Student relation, Non-teaching staff-student relation, Extra-curricular activity, and financial aid. The feedback analysis is as follows:

1. Parents are satisfied with curricular & infrastructure.
2. Relations between teacher and student are cordial as well as relation between non-teaching staff and students are very good.
3. Parents are satisfied with respect to extra-curricular activities conducted for the students by the institute.
4. Most of the parents are satisfied with the fee structure and financial aids but some of the parents are not afforded the fee structure.
5. Some of the parents have suggested to increase the sports activities and cultural activities.
6. Some of the parents are not comfortable with online Teaching and Learning. They have suggested focusing on offline classes which would help the students to understand the topic in better way. A great loss to education sector due to ongoing COVID-19 pandemic.

4. Alumni Feedback

A feedback from Alumni obtained through feedback form containing questionnaire on course content, availability of reading material, use of innovative teaching methods, learning value. The feedback analysis is as follows:

1. Alumni feel proud to be associated with this institute.
2. Various activities are organized for the alumni.
3. Alumni agreed to have adequate laboratory, library facility, Internet and WiFi facility.
4. T&P provides ample opportunity On-campus and Off-campus placement opportunity.

Action Taken Report on Feedback 2019 – 2020

Feedback received from students on individual teacher's performance, an institution is arranged with such teachers who lack certain skill in terms of teaching. Those teachers are given certain tips to bring about improvement in their teaching so as to make it more intelligible and beneficial to the students.

Following this exercise we have come across the fact that this exercise proved to be fruitful. We appreciate those who are adjusted as good teachers. Similarly on the feedback of students in terms of infrastructure, ambience in the college and facilities provided to them, the proactive measure are adopted with the hope that the students will have pleasant and satisfactory experience during the period of their stay in the college.

Whenever the college receives genuine suggestions from the students, an attempt has been made to fulfill the same, if necessary, budgetary provisions are made in this regard.
