About SSCN: Science College, Congress Nagar, Nagpur, is one of the 303 institutions run by Shri Shivaji Education Society, Amravati. Science College, Nagpur is a premier institution of higher learning in Central India affiliated to R.T.M. Nagpur University, Nagpur. Tamso Ma Jyotirmaya is the mission of the institution. National Assessment and Accreditation Council (NAAC) accredited the college with Five Star level in the year 2002, re-accredited with CGPA of 3.51 on four point scale at A+ grade in June 2017 and identified by UGC as College with Potential for Excellence since 2004. The College is an institutional member of Asia Pacific Quality Network (APQN). The College is of Mentor College under UGC Paramarsh Scheme. With its competent galaxy of faculty members, the college has been rendering sincere services in the field of higher education since 1967. This is a single faculty college with a variety of courses both at 10+2 stage and degree level as well as offers P.G. courses with recognised centres of Higher Learning and Research in Microbiology, Chemistry, Computer Science, Physics and Mathematics.

About IQAC: The Internal Quality Assurance Cell of the College was established on 1st July 2004. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. As a part of quality enhancement initiative this workshop is organized to inculcate the sense of optimization and integration of research methodology.

About RISWP-2021 Workshop: Scientific writing is a necessary skill that must be learned by researchers. This workshop is intended to impart researchers with basic skills in writing and publishing a scientific paper in a peer reviewed journal. The workshop will help the participants to understand how to draft a scientific paper including statistical measures in research, selection of a journal, submission process and understand authorship, plagiarism, copyright and ethics in publication. In addition, the course will provide participants an understanding of the research avenues for the welfare of students' community.
