Geographical Indications (GIs) are a form of intellectual property that identify goods as originating from a particular geographical region, where a given quality, reputation or other characteristic of the product is essentially attributable to its geographical origin; GIs serve as a guarantee of quality and authenticity for consumers, while also protecting the rights of producers and promoting economic development in specific regions. GIs can cover a wide range of products, including food, agricultural products, handicrafts, and traditional products. They not only provide economic benefits, but also preserve cultural heritage and promote sustainable development through the preservation and promotion of traditional production methods and techniques.

Action Taken-

Participating in a Geographical Indications competition helps students understand how GIs protect products tied to specific regions. They learn about the cultural and traditional significance of these products. The competition also highlights the economic benefits of GIs for local communities. Students become familiar with the legal aspects of GI registration and intellectual property. Additionally, they gain insights into the diversity of Indian GI products, from textiles to food items. This experience fosters appreciation for regional craftsmanship and encourages the preservation of traditional knowledge. It also enhances their research and presentation skills.

Hard work in right way is key to success: Dr Itankar

District collector appeals to students during Lokmat Youth Connect

District collector Dr Vipin Itankar speaking during 'Lokmat Youth Connect'. Large number of students were present while students from 30 colleges participated through YouTube in this programme.

LOKMAT NEWS NETWORK

Father wanted me to become an engineer. But I became a doctor and later an IAS officer. It's important to do what you like, not what parents expect. Hard work is the right direction is the secret of success. Embrace it with wings of confidence. Nagpur's popular district collector Dr Vipin Itankar to the students on Monday.

Lokmat Youth Connect, Anant Purohitrao Deshmukh Academy and Shivaji Science College, Amravati, launched an interactive initiative 'Yuva Samvad' on Monday. On the occasion, Dr Itankar interacted with the undergraduates and postgraduate students in a special style and answered their questions in the programme held in the auditorium of Shivaji Science College.

Executive committee member of Shri Shivaji Shikshan Sanstha Hemant Kalmegh, Dr Amol Mahalle, director of Anant Purohitrao Deshmukh Academy Pankaj Nirmal, editor of Lokmat Shiksha Manoj and principal of Shivaji Science College Dr Mahendra Dhore were present during programme.

Dr Itankar said, "It is said that today's youth is directionless, but what the youth can do is proved by the voter registration conducted under the 'Mission Yuva' campaign in Nagpur district. Over 1 lakh college students in the age group of 17 to 19 registered as voters in just three months. Due to this, Nagpur district was honored by the award of 'Best Electrical' by the President Droupati Murmu."

Prof Dr Gajanan Jadhav conducted this proceedings while college principal Dr Mahendra Dhore proposed a vote of thanks. A B.Sc. Part I student Anjali Mishra said that she wants to become an IAS officer and serve the country. She asked the chief guest about challenges before an IAS officer. District collector replied, "Not only IAS but also doctors, engineers, soldiers as well as people working in every field serve the country. It is true that there are more opportunities after IES but the situation after sitting on the chair answers many questions. Of course, sitting on a chair requires more effort."

He appealed to the students of Vidarbha to pursue a career through startups. He also said that the government is providing grants for this by saying that one should be an employer instead of an employee in a job.

One student Harshnath Kaur Vidhi posed a query to the district collector. She asked, "Everyone dreams of a good career. But no one is ready to work hard. So who will give me motivation?" The district collector said, "Every year 10 lakh students from across the country prepare for UPSC. It means they are motivated. Not all will be IAS, so is the startup. Starting a startup also has its challenges. Today's times are also important for that. Today, IIMS, NIPER, IITs, etc. have incubation centers for start-ups."

Around 10,000 students in 30 colleges of Shri Shivaji Shikshan Sanstha participated in this programme through YouTube channel Shivaji Live.

Shiv Jayanti Celebration

Date: 19th February 2024

Time: 9:00 a.m.

Shiv Jayanti, the birth anniversary of Chhatrapati Shivaji Maharaj, is celebrated with great enthusiasm and reverence at Science College, Congress Nagar, Nagpur. The celebrations on this auspicious day are marked by various traditional and cultural programs, including Pathak Vadan, Akhada Pradarshan, and Shivgarjana. Each of these elements contributes to the grandeur of the event, emphasizing the historical significance and valor of Shivaji Maharaj.

Shiv Jayanti was celebrated at Shivaji Science College, Congress Nagar, Nagpur, on 19th February 2024. The program started at 9:00 a.m. with the lighting of a lamp and offering a garland to the portrait of Chhatrapati Shivaji Maharaj, followed by Shivgarjana.

During this Shiv Jayanti celebration, the following activities were performed by the students:

1. Pathak Vadan

Pathak Vadan refers to the performance of traditional musical bands. These bands, often comprising instruments like dhols (drums), tashas (cymbals), and other percussion instruments, play powerful and rhythmic music that evokes a sense of pride and patriotism among the listeners. Dhol-Tasha Pathaks is the most common, with large groups performing synchronized beats.

2. Akhada Pradarshan

Akhada Pradarshan is a display of traditional martial arts and physical prowess. Akhadas are traditional gymnasiums where ancient Indian martial arts and physical training techniques are practiced. Demonstrations include Malkhamb (pole gymnastics), wrestling, sword fighting, lathi (stick fighting), and other forms of martial arts.

3. Shivgarjana

Shivgarjana is a term that literally means "the roar of Shivaji." It is a call to the people to remember the heroic deeds and principles of Shivaji Maharaj. Colorful processions are a hallmark of Shiv Jayanti, with participants dressed as historical figures, especially Shivaji Maharaj and his soldiers. These processions often feature the activities of Pathak Vadan, Akhada Pradarshan, and Shivgarjana.

Shiv Jayanti is not just a celebration but a tribute to the legacy of Chhatrapati Shivaji Maharaj. The various programs such as Pathak Vadan, Akhada Pradarshan, and Shivgarjana play a crucial role in making the celebrations vibrant and meaningful. These activities not only

honour the great Maratha king but also serve to inspire the current and future generations with his ideals of bravery, leadership, and dedication to the motherland.

Hon'ble Prof. S. R. Pande sir (In-charge-Principal) along with all the professors, teaching and non-teaching staff along with all the students of college were present for this programme.

Total students participated: 264

Action Taken Report

Shiv Jayanti was celebrated at Shivaji Science College, Congress Nagar, Nagpur, on 19th February 2024. Shiv Jayanti is not just a celebration but a tribute to the legacy of Chhatrapati Shivaji Maharaj. The various programs such as Pathak Vadan, Akhada Pradarshan, and Shivgarjana play a crucial role in making the celebrations vibrant and meaningful. These activities not only honour the great Maratha king but also serve to inspire the current and future generations with his ideals of bravery, leadership, and dedication to the motherland.

Report on Excursion Tour to TFRI Jabalpur

Duration:

13th February to 16th February, 2024

Overview:

A group of 6th semester Botany students from Shri Shivaji Science College Nagpur, accompanied by faculty members Mrs. Punita Tiwari and Ms. Aishwarya Zure, embarked on an enriching two-day excursion tour to Jabalpur. The tour included visits to several key locations, providing a blend of educational and cultural experiences.

Spot 1: Tropical Forest Research Institute (TFRI)

Introduction:

TFRI Jabalpur is a regional institute under the Indian Council of Forestry Research & Education. Established in April 1988, the institute focuses on research in forestry and ecology for the central region of India.

Geography and Location:

Located southeast of Jabalpur, Madhya Pradesh. The campus spans 109 hectares and features diverse tropical forests.

Infrastructure:

Comprehensive facilities including laboratories, a library, residential complex, and various other amenities.

Tissue Culture Lab Insight:

Orientation on tissue culture principles and techniques. Practical exposure to micropropagation stages: shoot multiplication, rooting, and acclimatization.

TFRI Museum:

Exhibits on tree anatomy, wildlife, and forest interactions. Provides valuable insights into forestry and ecological research.

Conclusion:

The visit to TFRI offered practical knowledge of tissue culture techniques, enhancing students' understanding and interest in biotechnology.

Spot 2: Cruise on Bargi Dam

Bargi Dam: A multipurpose dam on the Narmada River, crucial for hydroelectric power generation and irrigation.

Activities: Relaxing boat ride, learning about the dam's role in the region's development.

Spot 3: Narmada Ghat and Aarti

Experience: Spiritual ambiance with evening prayers and aarti at the Narmada Ghat, providing a serene conclusion to the first day.

Spot 3: Balancing Rocks

Description: A natural rock formation showcasing a large rock balanced on a smaller one.

Location: Within the Madan Mahal Fort complex, offering panoramic views of Jabalpur.

Spot 4: Bhedaghat Marble Rocks and Dhuandhar Falls

Marble Rocks: Boat ride through the gorge, observing the sunlight effects on the marble cliffs.

Dhuandhar Falls: Known for its misty appearance and religious significance. The falls offer a spectacular view of the Narmada River plunging down a gorge.

Spot 5: Kachnar City Temple

Features: 76 feet tall statue of Lord Shiva, serene garden, and smaller statues.

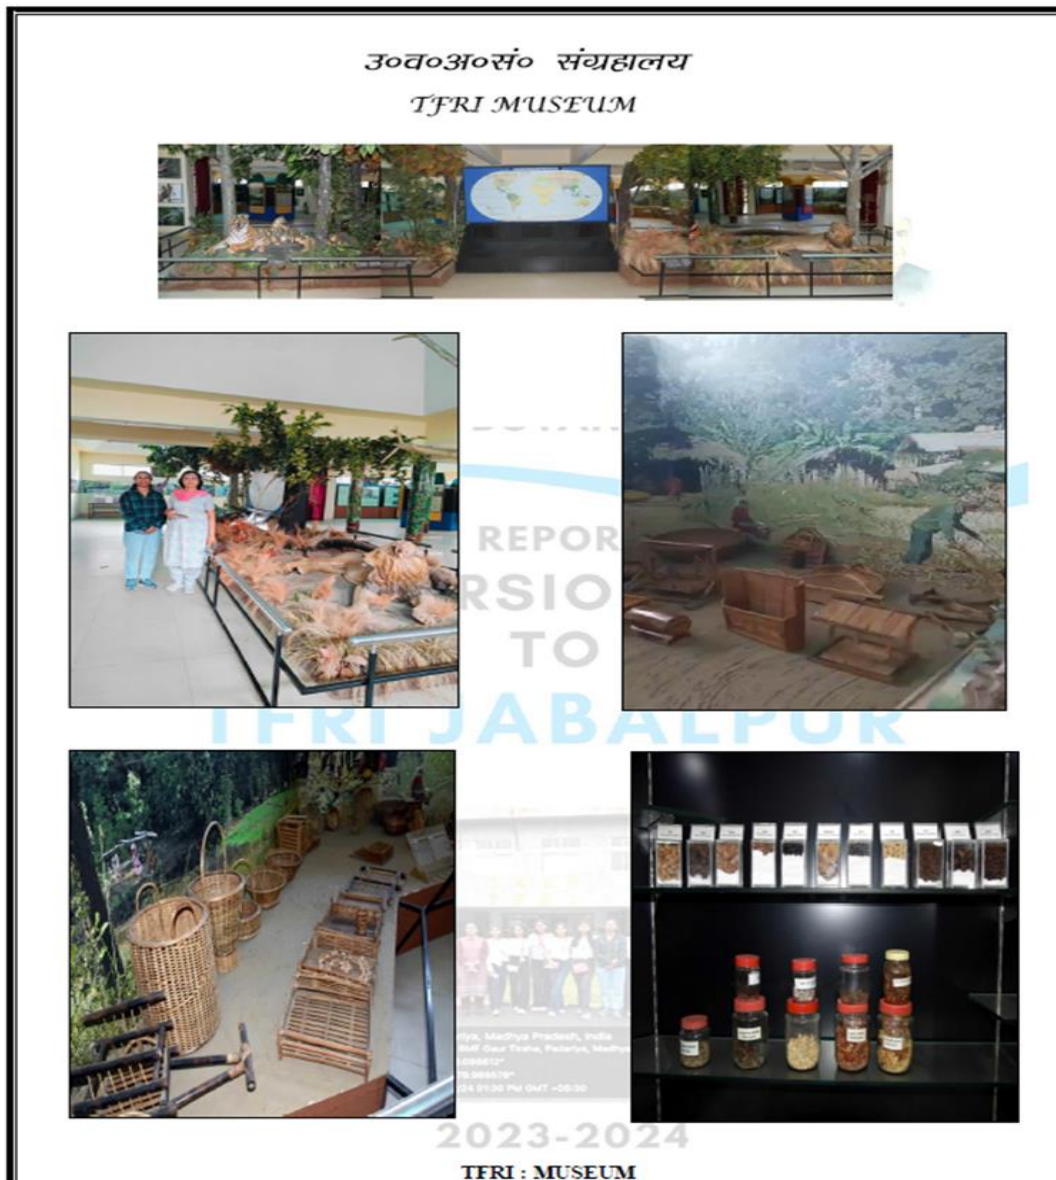

Experience: Evening visit providing a peaceful and spiritual environment.

Conclusion:

The excursion to Jabalpur was a memorable blend of adventure and learning. It provided the students with invaluable insights into tissue culture and allowed them to explore the cultural and natural beauty of Jabalpur. The trip was well-organized, ensuring a smooth and enriching experience for all participants.

Action Taken Report

On the 13th to 16th of February, the Department of Botany at Shri Shivaji Science College, Nagpur organized a two-day excursion to Jabalpur for 6th semester students. The tour, led by faculty members Mrs. Punita Tiwari and Ms. Aishwarya Zure, provided practical exposure to tissue culture techniques at the Tropical Forest Research Institute. Students also explored significant cultural and natural sites, including Bargi Dam, Narmada Ghat, Balancing Rocks, Bhedaghat Marble Rocks, Dhuandhar Falls, and Kachnar City Temple. The trip was successfully executed, enriching students' academic and cultural understanding.

Teachers' Day Celebration Report

Date: 5th September 2023

Venue: College Auditorium

Organized by: Student Council

The Teachers' Day celebration was a grand event held in honor of the teaching faculty on 5th September 2023. The program aimed to recognize the invaluable contributions of the teachers towards shaping the future of students and society.

Event Proceedings:

1. Opening Ceremony: The event began with a warm welcome by the student anchors, followed by the traditional lamp-lighting ceremony. The Honorable Principal Prof. M. P. Dhore, along with the senior faculty members, inaugurated the event. A brief speech was given by the principal sir, appreciating the efforts of the teachers and their dedication.

2. Cultural Performances: Various cultural programs were organized by the students to entertain the teachers. This included:

Group Dance: A vibrant and colorful dance performance was presented, which added energy to the atmosphere.

Musical Performances: Several students sang songs dedicated to the teachers, expressing gratitude and admiration.

3. Teacher Felicitation: Each teacher was individually honored with a token of appreciation, and a special memento was presented by the Student Council. The students also prepared personalized messages for their respective teachers, which added a heartfelt touch to the ceremony.

4. Speech by Students: A few students from different classes came forward to deliver speeches, sharing their experiences and expressing gratitude towards their teachers. Their speeches highlighted the role of teachers as mentors, guides, and friends.

5. Games and Fun Activities: Fun activities such as musical chairs, a quiz, and other interactive games were organized, where teachers actively participated, showcasing their competitive spirit and camaraderie with the students.

The event was anchored by Ku. Vrukshani Dobale. The event concluded acknowledging the efforts of both the students and the teachers in making the celebration a success.

The event was a resounding success, leaving the teachers feeling appreciated and the students with sense of fulfilment for having honoured their mentors.

Action Taken Report

Green Rakhi Competition

Theme: "Food Security, Nutrition & Sustainable Agriculture, People & Planet"

Date: 26th August 2023 (Raksha Bandhan)

Organized by: [Science College, Nagpur/Department Of Botany]

1. Event Planning and Coordination

- **Objective:** To promote awareness about food security, nutrition, and sustainable agriculture while celebrating the cultural festival of Raksha Bandhan.
- **Planning Committee:** A committee of faculty members and student volunteers was formed to plan and coordinate the event.

2. Promotion and Invitations

- **Promotional Material:** Posters, flyers, and social media posts were created to promote the event. These materials highlighted the theme and encouraged participation.
- **Invitations:** Invitations were sent to students and staff, as well as to local community members, to participate in the competition.

3. Registration and Participation

- **Registration Process:** An online registration form was made available for participants to sign up. Registrations were open from 1st August to 20th August 2023.
- **Participants:** A total of 150 participants registered for the competition.

4. Competition Details

- **Format:** Participants were asked to create "Green Rakhis" using sustainable and eco-friendly materials. Each rakhi was to reflect the theme of food security, nutrition, and sustainable agriculture.
- **Submission:** Participants submitted their rakhis along with a brief description of their creation and the materials used by 24th August 2023.

5. Judging and Evaluation

- **Judging Panel:** A panel of judges, including faculty members and experts in sustainable agriculture, evaluated the submissions.
- **Criteria:** Judging was based on creativity, adherence to the theme, use of sustainable materials, and overall presentation.

Students' Induction Programme 2023

Preamble

In the academic year 2023-24, the institution conducted a comprehensive 5-day Students' Induction Programme in accordance with the directives and mandates set forth by the University Grants Commission. This initiative aimed to acclimate approximately 400 incoming students to the academic environment and ethos of the institution. The programme provided a platform for students to engage with the leadership, faculty, and external experts, fostering a sense of belonging and community.

During this enriching programme, the Principal, along with Heads of various departments, and selected teacher representatives, actively interacted with the students, imparting valuable insights and guidance. Additionally, the presence of distinguished external speakers served as a source of inspiration and knowledge for the students.

The programme commenced on the 22nd of August 2023, setting the stage for a week of immersive learning and holistic development. It culminated on the 26th of August 2023, leaving an indelible mark on the participants.

Throughout the course of the programme, students benefited from the expertise and wisdom of both internal and external experts, gaining valuable insights into their chosen fields of study. They also demonstrated commendable enthusiasm in sports activities and dedicated themselves to preparing for the cultural event.

The pinnacle of the Induction Programme was reached on the final day, the 26th of August 2023, when the newly inducted students of B.Sc. and B.C.A. Semester-I came together to present a captivating Cultural Programme, showcasing their diverse talents and cultural heritage. This report provides a day-by-day account of the activities conducted during the Induction Programme, offering a detailed overview of the proceedings and outcomes. It serves as a testament to the collective efforts of the institution in nurturing the potential and aspirations of the incoming students.

Report on Students' Induction Programme at Science College, Nagpur (DAY-5, Session-2)**Students Appreciation**

Date: 26/08/2023

Venue: Conference Hall (B-Block)

On the final day of the Students' Induction Programme at Science College, Nagpur, a vibrant display of talent and cultural diversity took center stage. Approximately 35 students showcased their skills in various cultural activities, including solo-singing, duet singing, medley performances, solo-dancing, group dancing, and break dance.

The event commenced with a soulful rendition of the 'Ganesh Vandana,' setting a spiritual tone for the proceedings. This invocatory act not only paid homage to the divine, but also invoked an atmosphere of harmony and creativity.

The participants poured their hearts into their performances, demonstrating exceptional skill and creativity. The audience was treated to a delightful array of musical and dance forms, each performance exhibiting a unique style and flair.

To recognize the outstanding efforts of the participants, a panel of judges comprising of Prof. Mrs. Shital Ghonmode and Prof. Mrs. Vrushali Kene, both esteemed members of our institution, meticulously evaluated the performances. Their expertise and discerning judgment added an extra layer of credibility to the event.

Following Volunteers worked in the SIP-2023 wholeheartedly for the success of the programme.
