### Students' Induction Programme 2023

#### Preamble

In the academic year 2023-24, the institution conducted a comprehensive 5-day Students' Induction Programme in accordance with the directives and mandates set forth by the University Grants Commission. This initiative aimed to acclimate approximately 400 incoming students to the academic environment and ethos of the institution. The programme provided a platform for students to engage with the leadership, faculty, and external experts, fostering a sense of belonging and community.

During this enriching programme, the Principal, along with Heads of various departments, and selected teacher representatives, actively interacted with the students, imparting valuable insights and guidance. Additionally, the presence of distinguished external speakers served as a source of inspiration and knowledge for the students.

The programme commenced on the 22nd of August 2023, setting the stage for a week of immersive learning and holistic development. It culminated on the 26th of August 2023, leaving an indelible mark on the participants.

Throughout the course of the programme, students benefited from the expertise and wisdom of both internal and external experts, gaining valuable insights into their chosen fields of study. They also demonstrated commendable enthusiasm in sports activities and dedicated themselves to preparing for the cultural event.

The pinnacle of the Induction Programme was reached on the final day, the 26th of August 2023, when the newly inducted students of B.Sc. and B.C.A. Semester-I came together to present a captivating Cultural Programme, showcasing their diverse talents and cultural heritage. This report provides a day-by-day account of the activities conducted during the Induction Programme, offering a detailed overview of the proceedings and outcomes.
