RECOGNITION BY GOVERNMENT OF INDIA

1. To honour the 125th birth anniversary of Dr. Panjabrao Deshmukh (Founder president of Shri Shivaji Shikshan Sanstha Amravati), the Indian government has released a special commemorative coin.

To honor the 125th birth anniversary of Dr. Panjabrao Deshmukh, the Indian government has released a special commemorative coin. Dr. Deshmukh, known as the "Shikshan Maharshi" (Education Saint) and "Krishi Ratna" (Gem of Agriculture), was a prominent educationist, social reformer, and the first Minister of Agriculture in independent India. His work in promoting rural development and modernizing Indian agriculture left an indelible mark on the country.

The coin has a denomination of ₹125 and is made from a quaternary alloy, consisting of 50% silver, 40% copper, and small percentages of nickel and zinc. Weighing 35 grams, the coin is circular, with a diameter of 44 mm, and features 200 serrations. The obverse side includes the Ashoka Pillar along with the denomination, while the reverse features a portrait of Dr. Deshmukh, inscribed with both English and Devanagari texts commemorating his 125th birth anniversary

This release is part of the Indian government's efforts to recognize Dr. Deshmukh's pioneering contributions, which include establishing institutions like the Shri Shivaji Education Society and initiating agricultural reforms like crop insurance and the minimum support price for farmers. His legacy continues to influence Indian agriculture and education
