## ***1. Policy Document on Environment and Energy***

### **Preamble:**

The Environment and Energy usage Policy of Shri Shivaji Science & Arts College is to manage energy in such a systematic way so as to minimize its impact on the environment. Green Campus Committee of college is devoted to the cause of environmental awareness, to undertake green initiatives, and to conduct green literacy programmes to save energy and to protect the environment.

### **Vision:**

This environment and energy policy is binding for all the components of the institution and applies to all its stakeholders and to the various activities undertaken by the institution. The policy implies to explore the renewable energy resources to reduce the burden of the government and to find out alternate resources as solutions to the energy crisis. It will help us to embed efficiency and environmental awareness into our everyday activities, thus helping us to realize our responsibilities and commitment to conservation of natural resources and to limit its usage.

### **Objectives:**

- To sensitize all stakeholders towards a Clean, Green, and Sustainable Environment.
- To help the students/Faculty understand each individual's responsibility to take an initiative to save the environment.
- To work with all stakeholders and the local community to adopt environmental good practice and the reduction of any adverse effects on the environment.
- To continuously improve the efficient use of all resources, including energy and water, and to reduce consumption and the amount of waste produced, recovering and recycling waste where possible.
- To ensure judicious use of environmental resources to meet the needs and aspirations of the present and future generations.

### **Policy:**

Awareness: Shall be create awareness on Environmental conservation among students, faculty, administrative and supportive staff and work towards sustainable development.

**Eco-education:** Environmental studies focusing on environmental concepts and issues will be integrated into to all academic, curricular, and extracurricular activities and programs of the College.

**Green Initiatives:** The college will work towards conserving and protecting natural resources for the future generation and will adopt green initiatives and sustainable measures for a clean and green campus. Activities to instil a sense of responsibility on environmental preservation will be promoted.

**Pollution Management:** Towards reducing pollution, steps will be taken up for minimising CO<sub>2</sub> emission from automobiles. Authorities shall take suitable steps for a Smoke-free and Tobacco-free campus. The relevant placards are displayed to highlight the need for a clean, green, and sustainable environment

**Outreach Programmes:** The college will take up initiatives through its extension activities to reach the society through campaigns, workshops and awareness drives on pertinent environmental issues.

**Energy saving:** Graded efforts will be taken to replace out dated and energy consuming equipment with Energy efficient equipment /LED bulbs, Sensor based energy conservation measures shall be adopted. All stakeholders shall Avoid using electric lights in classrooms and halls where there is sufficient natural light

**Renewable Energy:** To ensure energy security and conserve Nation's natural resources, the use of renewable energy through installation of solar power panels to augment the energy needs of the college will be implemented soon in upcoming year.

**Waste Management:** Segregation of solid wastes in different colour coded bins will be ensured across the campus, Solid waste management of organic matter through vermicomposting will be sustained.

**Ban On Single Use Plastic:** Institute shall take a step forward to ban single use plastic all together to minimise plastic pollution in the campus. All stakeholders will be advised to use jute or cloth products for various purposes.

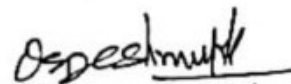

**Water management:** Through replenishing the ground water by rainwater harvesting systems, borewell recharge system, trenches, ponds/bunds, judicious use of water resources and proper maintenance of water distribution system will be implemented

**Quality audits on environment and energy:** Energy Audit, Green Audit & Environment Audit to be conducted to assess and analyse the environmental impact. The analysis will be utilized to implement energy saving measures and upgrade the environmental condition in the campus.

This policy will be communicated to the students and employees via internal communication channels, and will be made available to all the stakeholders on the institutional website. The Environment and Energy Policy, objectives and targets will be reviewed on a regular basis by the Green Campus Committee and its members under the guidance of the Principal of the college.

## ***2. Policy Document on Clean and Green Initiatives***

### **Preamble:**

Shri Shivaji Education Society Amravati's Science College, Nagpur envisions a Clean and Green Campus where environmental friendly practices and education combine to promote sustainable and eco-friendly practices in the campus and beyond the campus. The green campus concept offers the institution an opportunity to take the lead in redefining its environmental culture through instilling environmental ethics among students and staff. The increasing human foot print on earth poses great environmental challenges that continue to grow over time. An unprecedented effort is required to alleviate the adverse effects that human activities have on the ecosystem, effects that in turn alter how we interact with the nature and with each other. Inclusion of all approaches to problem solving will be necessary to effect a meaningful change.

### **Vision:**

Vision for green campus is to make the campus and its surrounding green and clean and conservation of Nature and natural resources in the surrounding area and educating on how to live Eco-friendly. Clean and Green campus through adopting, practicing and promoting environmental friendly practices among students and staff to generate Eco-consciousness among them and in the world around them.

### **Objectives:**

- To protect and conserve ecological systems and resources within the campus.
- To bring awareness among the students/Faculty about the hazards spoiling the environment.
- To help the students/Faculty understand each individual's responsibility to take an initiative to save the environment.
- To work with all stakeholders and the local community to adopt environmental good practice and the reduction of any adverse effects on the environment.
- To continuously improve the efficient use of all resources, including energy and water, and to reduce consumption and the amount of waste produced, recovering and recycling waste where possible.
- To ensure judicious use of environmental resources to meet the needs and aspirations of the present and future generations.

To fulfil these objectives Shri Shivaji Education Society Amravati's Science College, Nagpur therefore has constituted Green Campus Committee

### **Green Campus Committee:**

- 1) Principal of the College: Chairperson
- 2) IQAC Coordinator: Secretary
- 3) Faculty Representative: Nominated by the Principal
- 4) Faculty Representative: Nominated by the Principal
- 5) Student Representative: General Secretary of the College
- 6) Non-Teaching Staff Representative: Office Superintendent
- 7) Parent Representative: Secretary of the Parent Teacher Association
- 8) Industry Representative: Member of Alumni Association

- ISO 9001:2015
- No Vehicle Day observed & Restricted entry of automobiles
- Waste water Management/ Rainwater harvesting
- Use of Micro-scale techniques
- Sensor based energy conservation
- Displayed poster on Save Energy Tips
- Maintenance of water bodies and distribution system in the campus
- Single Use Plastic Free Campus
- Tree Plantation Drive & Cleanliness Drive
- Landscaping and gardens
- Use of LEDs only
- Digital Library/ E-Learning Centre
- Organization of sensitization programmes for the stakeholders
- Green, Environment and Energy Audit conducted
- Installation of talking tree app.
- Installation of Solar Power Station

### 3. Policy Document on Water Conservation

#### Preamble:

Water scarcity is one growing concerns of the present time, the ultimate solution for which is water conservation. Issues related to water governance have not been addressed adequately. Mismanagement of water resources has led to a critical situation in many parts of the country. In this context our institute is committed to rain water harvesting and sustainable water management. We have taken several initiatives to conserve water such as rain water harvesting from rooftop run-offs, creation of pond/trenches tank/ bore well recharge system, maintenance of water distribution system etc. Therefore, institute make a policy for water conservation and sustainable maintenance of resources.

#### Vision:

Proper water conservation measures to increase recharge of groundwater. The College views water from the three inter-related dimensions of Efficient Conservation, Responsible Consumption and Restoring and Retaining surface and groundwater.

#### Objectives:

- To increase recharge of groundwater by capturing and storing rainwater, by rain water harvesting from rooftop and run-offs.
- To store the water for gardening & washing purpose.
- To ensure continuous water supply to all sections and departments in college campus.
- To recharge bore well system in monsoon season.
- To Reduce wastage of water
- Soak pits to treat effluents from laboratories.
- Cleanliness drive to prevent water runoffs and clogging of waste material into nearby water sources.

#### Facilities:

- Rain water harvesting from rooftop run-offs.
- Well-developed bore well recharge system
- Low pressure & sensor-based water tabs in some areas of campus
- Water distribution system in the Campus
- Soak pits to treat effluents from laboratories.

#### Procedure:

- Obtain an approval status from the governing body for implementation of the policy
- Communicate the objectives of the policy and action plan to staff members and students
- Maintenance Water distribution system in the Campus through Go Green Committee

#### **4. Policy Document on Waste Management**

##### **Introduction**

Higher education institutes play a vital role in the field of environment and sustainability, considering this SSESA's Science College, Congress Nagar, Nagpur shall pay considerable attention to minimize the production of waste on the campus. This policy envisages to guarantying the moral, social and legal responsibilities of the College in creating an environment-friendly and sustainable world devoid of waste and exploitation of nature. This policy is a guidance document to the faculty, staff and students to behave responsibly in the production of waste, waste segregation, storage, handling, transport and disposal.

##### **Vision**

The policy envisions a community which is acutely conscious of the anthropogenic condition of the world and therefore strives to create an ecologically healthy, prospering and resource efficient community, where waste is considerably reduced, recycled, reused and disposed of using an environment friendly safe method.

##### **Objectives:**

- Create consciousness among faculty and students about the ways in which waste is generated and the means by which they can reduce waste generation and manage the waste they produce.
- To provide appropriate training for faculty, staff, students and other stakeholders on waste management issues.
- Orienting them to adopt appropriate technologies for processing and managing solid, liquid and e-waste.
- Follow the five "R" principle of reduce, reuse, recycle, refuse and regenerate
- To promote holistic approach of waste management in the campus.

##### **Waste Management Methods:**

###### 1) Solid Waste Management

- To keep campus, keep clean, neat and tidy, Dustbins are placed in the college premises, corridors and office.
- Cleanliness drive in campus for collection of garbage and solid waste by NSS & NCC

##### **Policy Document on Waste Management**

###### 1) Solid Waste Management

- The solid waste is segregated into organic and is used to prepare compost for in-house consumption and non-degradable waste are collected by the Municipal Corporation Nagpur.
- Maximized use of paperless technology i.e., sharing of data /Lecture notes on google class room, google drive, college website e-mail, Uniconnect etc.
- All one-side used papers are utilized for routine printing activities.

###### 2) Liquid waste management:

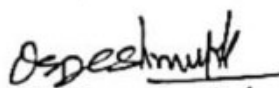

- Chemical liquid waste generated in the lab is collected in separate soak pits which are located aloof from the water bodies.
- The soak pits are periodically emptied and dumped in special area outside the campus and town with due care.

## 3) E-waste management:

- E-waste at our college refers to electronic equipment that has gone out of use. The cartridge of printers is refilled from a suitable vendor and reused it.
- Canteen wastewater shall be managed through sedimentation pits which are cleared periodically of the waste and the rest of the water shall pass into the traditional drain.

#### **Ban on Single Use Plastic**

---

This is to inform all the staff and students that we should take a step forward to ban single use plastic all together to minimise plastic pollution in the campus. We should stop the rampant use of plastic in whichever form it, We should practice using jute or cloth products for various purposes. If we adopt "3R's. 'Reduce, Reuse and Recycle successfully so that we can safeguard natural resources Let us move towards "Single Use Plastic Free Campus".

#### Energy Conservation Measures

---

In-accordance with the "Green Policy" of the college, all the faculty members should adopt following energy conservation measures

#### **Energy Conservation Measures:**

- Activate power management features on your computer and monitor so that it will go into a low power "sleep" mode when you are not working on it.
- Turn off your monitor when you leave your Table.
- Activate power management features on your laser printer
- Whenever possible, shut down rather than logging off
- Turn off unnecessary lights and use daylight instead
- Avoid the use of decorative lighting.
- Use LED/Sensor based LED or compact fluorescent bulbs.
- Keep lights off in classrooms, lecture halls when they are not in use.
- Use the fans only when they are needed

#### **Limited Use of Papers**

---

In-accordance with the "Green Policy" of the college we knew that injudicious use of paper not only leads to infructuous expenditure but also impacts the environment, as trees are the major source of paper pulp production. With a view to further stress the importance of economy in use of paper the upcoming points are to be followed.

- 1) Switching over to e-forms, online submission of forms/returns, etc, may be encouraged.
- 2) Notes should be typed/written on both sides of the paper/note sheet
- 3) Wherever possible and suitable, use one side papers for printing purpose
- 4) To maximize use of paperless technology sharing of data viz, Lecture notes practical manuals, question bank etc. on online platforms such as google classroom, google cite, college website, e-mail etc. should be encouraged
- 5) Staff should frequently use Class wise WhatsApp group for instructions & Notices

### Notice

#### No Vehicle Day

In-accordance with the "Green Policy" of the college and an effort to reduce traffic congestion and promote environment sustainability is organizing a No Vehicle Day on Saturday. We encourage all residents and visitors to participate by leaving their cars at home and opting for eco friendly modes of transportation such as walking, cycling, or transport. To reduce the stress and pollution the upcoming points are to be followed.

**Alternative Transportation Options:** Use of alternative transportation modes such as walking, cycling, carpooling, and public transport routes. Encourage residents to plan their journeys accordingly.

**Promotional Campaign:** Launch a promotional campaign highlighting the environmental benefits and community impact of participating in No Vehicle Day. Use social media, newsletters, and community meetings to raise awareness.

**Community Support:** Encourage students to support the initiative by organizing walking or cycling groups, community events, or competitions related to sustainable transportation.
