**REPORT**

Science College, Congress Nagar, Nagpur, organized a guest lecture on NEP-2020 on 28th July 2023 in the college's Conference Hall. The event was coordinated by the Internal Quality Assurance Cell (IQAC) and aimed to create awareness and foster a deeper understanding of the objectives and vision of NEP 2020 among faculty members and students. The session featured Hon'ble Dr. M. G. Chandekar, Former Vice Chancellor of Sant Gadge Baba Amravati University and a member of the Steering Committee for NEP Implementation in Maharashtra, as the esteemed resource person. Dr. Chandekar delivered an insightful and comprehensive lecture focusing on the key pillars of the NEP 2020, including its emphasis on multidisciplinary education, holistic development, flexible curriculum

structures, and promotion of critical thinking. He highlighted the significance of the policy in transforming India's educational landscape by making it more inclusive, innovative, and globally competitive. The session also addressed practical challenges in implementation and encouraged academic institutions to take proactive steps toward aligning with NEP objectives. The programme was presided over by the college Principal, Prof. M.P. Dhore, who welcomed the guest and appreciated the IQAC for organizing a timely and impactful session. Dr. A.A. Halder, the IQAC Coordinator, managed the event arrangements and ensured active participation of faculty, non-teaching staff, and students. The event concluded with an engaging question-and-answer session, where participants interacted with the resource person, seeking clarity on various provisions of the policy. Feedback was collected from attendees to evaluate the effectiveness of the lecture, and the session was widely appreciated for its clarity, depth, and relevance. Overall, the programme served as a valuable platform for enriching the understanding of the NEP 2020 and reinforcing the institution's commitment to its successful implementation.
